"Special Meeting"

Called by the Mayor

The meeting was called for the purpose of passing suitable resolutions on the death of Ex-Councilman Wilmer L. Tilghman.

The Mayor submitted the following Memorial and Resolution-

We are here today to lay upon the altar of memory a loving tribute to a kind friend and co-worker in Municipal Affairs, who has passed over into the shoreless land, one whose smile like the morning sunshine, told the glad story of a heart that was good as gold, no more shall we meet him, for in the shadowless light away over in the Spring and Summer Land of another world, our friend has been called to rest.

Wilmer L. Tilghman was a man of untiring industry, he never faltered even before the greatest seemingly obstacles, in his honest and earnest effort to accomplish his purpose. He was ever ready to sacrifice personal comfort to advance the interests of his

1913

Constituents as a whole, or to do a personal favor for the most humble citizen of our community. Throughout this entire City to day many hearts are weeping, and many eyes are misty with tears, mourning over the sudden and untimely death of our deceased friend.

We say he is dead, but for such as he "There is no death" He has only passed from the sunshine of earth through the shadow called death to that land which needs not the light of the sun.

The blow falls heaviest upon his family, who knew him most intimately and to whom his best love was given. Our hearts deepest sympathy is theirs. Resolved, that true tender to his bereaved widow and loving children, as well as the members of his entire family our heartfelt sympathy, and assure them that his fellowship, was to us a dear possession and the remembrance of his high character and devotion must be to them a sweet and inspiring inheritance.

on Motion. The above Memorial and resolution was ordered spread on our Minutes and a copy of same sent to

1913

B. H. Kennerly Clerk Pro Tem

Where as there has come to the notice of the Council that one of the officials of the two companies interested, has publicly criticised the plans for the new Union Station, and whereas the Baltimore, Chesapeake and Atlantic Ry. Co., through their Superintendent, took an appeal from the findings of the Council on the Condemnation Proceedings to the proposed new Wilson Street, and whereas it has been stated over the signature of Mr. W. U. Polk that the appeal was not taken for the purpose of pushing it, the Council at a regular session on the 10th inst., requested Mr. Polk, who was present, to withdraw this appeal, which up to the present time has not been done. Therefore, be it resolved that this Council will not take any further action in the way of opening and widening streets, getting titles to property, etc., until the two Companies agree on the plans for the proposed Union Station, and until such time as the Baltimore, Chesapeake and Atlantic Ry. Co. withdraw their appeal which their Superintendent has said was not filed with the purpose of contest. We further request that the business men of Salisbury present in writing, plans or a sketch of a Union Station, that in their opinion will be adequate for the town of Salisbury, for the consideration of the Council.
